

Welcome KPark Theatre Families,

We are thrilled that your student is participating in the theater department this school year. Your student’s participation in the program at any level gives you the opportunity to join an amazing team of parents in the Black Cat Theater Booster Club. We have 2 purposes as a booster club: (1) to support our directors and students through partnering in creative fundraising so that we can offer the community amazing shows and (2) to award a predetermined number of seniors scholarships. All money we raise through donations, concessions, student fundraisers, and season sponsorships goes directly to support our students. You can see your donations in the costuming, set design, choice of the shows for the season, and in the confidence growing in each student.

As a part of the booster club, we have many volunteer opportunities available. Throughout the year, we will need volunteers to assist with activities such as set building, fundraising, concessions, working our ticket booth, and organizing our end of year banquet.

Only paid members of our booster club may vote at our meetings and voting privileges begin 30 days after payment of your booster club dues.

Please Check all that apply:

___ \$30 Dues for Booster Club Membership (per family)

___ \$25 Parent t-shirt (Optional) Size: _____
